

Entries now open for Downtown Dubai Classic Car Show

Dubai: Classic car collectors can now register their cars for the annual Downtown Dubai Classic Car Show, organised by Emaar Properties at Emaar Boulevard in Downtown Dubai.

Following the huge success of the show in 2009, the second Classic Car Show will be extended to four days from Feb. 18 to 21, 2010.

Emaar is organising the event with the support of the Automobile & Touring Club of the United Arab Emirates (ATCUAE) - a member of the 'Fédération Internationale des Véhicules Anciens' (FIVA), the world-wide authority for historic vehicles.

Classic car owners, interested in participating in the event, can register directly to www.emaar.com. Registration closes on the 11th of February, 2010.
