

PLEASE HELP!!!

During the night between Thursday September 1st and Friday September 2nd 2011, historic car **Aero 500 was stolen** from the underground garage at town square „Na Sádkách, Dolní Břežany, Prague-west, Czech Republic“. It is a red cabrio, white wheels, white leather seats and beige sliding roof. Engine serial number is #1019, vehicle body number is #892, production year 1931 (see photo). Police´s investigation is futile up to this day.

We ask anybody, who has seen this car or anybody who would be offered to buy this car to call local Police or Police of the Czech Republic immediately or to give such information to cellphone numbers: **+420 602 279 837, +420 602 757 868** or email to: jrs@centrum.cz.

The car is a family heritage, reconstruction was done by owner himself. Information leading to success of finding this car will be rewarded. Thank you!
