

FIVA Events Code 2021 Annex 1A

Steward's Nomination Form 2021

As from Jan 2022 **all** Steward Nominations must be submitted via an online form on the FIVA Website. The Steward Nomination form is both 'hidden' and requires a 'password' to access and complete.

NB The online form is available to use as from Jan 2021 and this would be our preferred method.

The process to access, complete and submit this online form is detailed below.

- Events Commission decides to recruit new Stewards.
- EC Chairman invites FIVA members to identify and nominate candidates who have significant experience of Organising, Officiating, and competing in Historic Vehicle Events.
- Once a FIVA member has identified a suitable candidate then they must contact the General Secretary via events@fiva.org to request access to the online form.
- The secretary will provide the access details and a unique password to gain access to the online form, complete it and submit it. NB many of the form fields are mandatory and must be completed otherwise the form cannot be submitted.
- Once submitted the EC Chairman, Vice-Chairman and Secretary will automatically be notified and will consider the nomination(s) make their decision and notify all interested parties.

Please see the 'offline' form on the next page as this indicates what type and level of information we require. This offline form may be used during 2021 but will not be accepted as from January 1st 2022

If you have any questions, please email events@fiva.org
